AN INFAMOUS LIE. Somebody who styles himself "Wili," writing to the Cincinnati Commercial

of the 10th Instant, says:

adulterated. Scottish Masonry has of the United States is absorbed for exnothing to do with the politics of the portation to pay our balances abroad. will be, members from California, Neva-da, Minnesota, Nebraska, Oregon and Whenever any government, over-sign, B. F. Goodrich & Co. Lastnight's

TREACHERY.

The New York correspondent of the gold, in payment or duties on imports, hiladelphia Ledger says:

The most interesting political rumor foreign capitalists regard its securities reform. The messenger not yielding hiladelphia Ledger says: of the day is that Mr. Seward, who passed through the city yesterday, on his way to Auburn, gave his friends to underto Auburn, gave his friends to under-stand that he was about to break ground in favo one of the Parabhlean and the results of the parabhlean rial in one of the Republican morning papers has a hint to the same effect; but the Secretary, in conversation on the subject, I am assured, was much more militis and so provoking civil war, may NEW YORK outspoken than the hint would seem to be the cause of it. It is a strange thing imply. The Democratic politicians were not a little perplexed by this movement. They say they cannot understand that such a man should perhaps hold in New York, August 14—The case of ment. They say they cannot understand that such a man should perhaps hold in New York, August 14—The case of ment. They say they cannot understand that such a man should perhaps hold in New York, August 14—The case of the custody ment. ment. They say they cannot understand how the Secretary can take such a position, and yet occupy a place in the Cabinat of President Johnson. But in any people.

TUBS BUTTER, and on time of her late husband in Germany, in this the more knowing ones on the classification of the classification, now held by relatives of her late husband in Germany, in this the more knowing ones on the classification of the classificat swer to this, the more knowing ones on the other side intimate that, if they will have patience awhile longer, President —The local columns of the Nashville yesterday poisoned Johnson himself will be following the papers of Thursday are taken up with from discased beef. example of his Secretary of State, reports of the great scalawag convention. The new Register, That is how both sides are talking. —Mrs. Fine, an estimable lady of was sworn in to day.

disappointed, angry and morose, at the result of the New York Convention and

support from the South. He pardoned few men whose pardon Radicals did not recommend. He executed the flagor. recommend. He executed the Reconstruction acts. He was prepared, if conto the tender mercles of Radicalism. He submitted to be stripped of his just prerogatives and powers; and for actions substituted words that were of no avail.

—South American letters describe a severe flood on the fiver Pratte, which destroyed many five and devastated a large region. Two American vessels were gracked and totally lost.

The people present to an auction to be soid. It was the last of her great wealth. The people present to an auction to be soid. It was the last of her great wealth. The people present to an auction to be soid. It was the last of her great wealth. The people present to an auction to be soid. It was the last of her great wealth. The people present to an auction to be soid. It was the last of her great wealth. The people present to an auction to be soid. It was the last of her great wealth. The people present to an auction his bogus company, by telling them that he holds a commission from Brownlow, and that an act would soon be passed by the Legislature calling out the militia; that if they were thoroughly drilled they would be taken into the militia service immediately after the passage of that agt, representing that they would have little more to do than to drill and to sleep in their camps. As he has, however, gothing to feed his starving recruits upon, they are nightly plundering gardens of the citizens who live around and south of St. Clou i Hill, after tearing up and scattering about such vegetables as they cannot take a way.

Itely takes the what people eat, but what is on a lady's face, but what is in her heart, that indicates ker nature. Make a mem.

—It feely cannot the what is on a lady's face, but what is on a lady's face, but what is on a lady's face, but what is in her heart, that indicates ker nature. Make a mem.

—In Fayetts extrength and fish; it isn't the color of the key, but the direction of the color of the key, but the direction of the wind, that shows what the weather is to be; it isn't what is on a lady's face, but what is in her heart, that indicates ker nature. Make a mem.

—In Fayetts extremely and fish; it isn't the deciding Americans who had the cours and deciding. This is the last of leading Americans who had the course. The above positical partisanship."

The Morning Telegraph says: "Stevens was neither wise, good or generous, but in his time he dlid signal services, and with all his faults, meris the phrase, that was a man."

The Daily News says: "The death of Stevens haves no important piece untill to his house, sat down on the door step, and died in less than ten minutes. His fault of the course of the citizens who had the course and deceitful. This is the last outreged, dies with him. He was a fanational limin, the was a fanational limin, but man, but mean and deceitful. This is the last outreged, dies with him. He was a fanational limin, and the course of the citizens who had the course and the

the Sulphur Spring bottom are said to be ander the leadership of one John Durham, a "magician," who seems to be so little knewn that it has been impossible to obtain a history of his autecedents. He has been circulating a petition asking aims for negroe who, he alleges, have been driven into the city by the Kukiux. He told a Representative at the capitol yesterday that he had been feeding, in the sunthersh portion of the city, two hundred refuges negro men, women and children, and that he wished him to give a small sum for their support. Doubtless most of the money goes into his own peaket. He also stated that he had been ready to soften the service of the State as soon as the militia should be called out, but that he wanted more than \$120 a mouth for a saiary." Acting on this int, the Representative supports and the project again the project again the subject, but they are kept secret for the service of the Sale and the project again they noticely many think it really acover for war preparations.

—The recent speech of Nagoleon is much commented upon in Loudon. The newspapers consider it an assurance of the service of the sale speech of the money goes into his own peaket. He also stated that he wished he had a "good company of striked men ready to soften the service of the Sale should be called out, but that he wanted more than \$120 a mouth for a saiary." Acting on the project again and an assu incutations air project again and the project again and an assu incutation and an again position. The recent speeds of the Sale of Nagoleon is much commented upon in Loudon. The newspapers consider it an assurance of reviewed by the Emperor and Empress and the Prince Imperial. A large sum the control of the city, two business were also present.
